

**EXHIBIT "F"**  
**DESIGNATION OF COMPETENT PERSON(S)**

*This page must be signed, completed and returned with subcontract documents.*

Project Name:

Project Number:

Subcontractor:

A Competent Person is a person who has the ability and has been reasonably trained to recognize hazards and has the authority to correct them. An evaluation has determined that the person named below has knowledge of the systems, equipment, conditions and procedures, proper use, inspection, manufacturer's recommendations and instructions, and maintenance for the activities designated below.

**Consequently this person listed has been designated as a "Competent Person" per OSHA guidelines and delegated the responsibility and authority for coordinating activities and operations covered by the designation(s). \*Subparts C, D, E, H, K, M must have name of Competent Person entered below.**
